# **MINUTEMAN** ANGLE BROOM

---

Turn your skid-steer loader into the ultimate power tool

The Minuteman® angle broom makes cleanup of work areas quick and easy. It's constructed of high-grade steel for extra life and durability and features a neutral granite gray, rugged Dura-Coat™ finish to resist corrosion.

- 32" diameter broom with combination poly/wire bristles for the toughest cleanup jobs and longer bristle life
- 6' wide with variable speed direct-drive motor for long-term dependable use
- Tool-free pitch adjustability to better control aggressiveness of sweeping
- Standard parking stands make mounting and dismounting easier and extend bristle life
- Optimal adjustable-height gauge wheels for consistent broom performance
- Bi-directional with manual angle adjustment for windrowing debris; hydraulic angle adjustment is optional
- Available 25-gallon water tank with four spray nozzles to help suppress dust and loosen packed soil and/or debris
- Versa-Tach™ universal mounting for easy fitting to Liberty™ and other skid-steer loaders

#### **Specifications:**

- Working Width: 72"
- Approximate weight: 758 lbs.
- Motor: Direct drive; 17.1 cubic inch
- Hydraulic requirements: Up to 32 gpm high flow
