

MINUTEMAN®

AUGERS

Turn your skid-steer loader into the ultimate power tool

The Minuteman® auger attachment keeps your holes on the straight and narrow. The self-plumbing design allows straight, effortless drilling up to 48" deep for posts, small trees or shrubs. It's constructed of high-grade steel for extra life and durability and features a neutral granite gray, rugged Dura-Coat™ finish to resist corrosion.

- For general use, direct-drive model features a 2" round coupler for mounting the auger bit
- Planetary-drive model features a 2" hexagonal coupler for jobs requiring greater torque and capacity
- Planetary-drive model features tool-free auger attachment for quickly and easily changing from one size auger to another
- Spring-steel hose holder keeps hoses up and out of the way, regardless of auger position, for extended hose life
- Bits available for planetary-drive models in 6", 9" and 12" diameter with optional masonry bit, and 18", 24", 30" and 36" diameter dirt bits
- Bits available for direct-drive models in 6", 9" and 12" with hardened, heat-treated replaceable cutting points
- Versa-Tach™ universal mounting for easy fitting to Liberty™ and other skid-steer loaders

Specifications:

- Motor: Direct drive 32.3 cubic inch
- Planetary drive: 20.6 cubic inch
- Operating depth: 48"
- Approximate weight: Direct drive, 310 lbs. Planetary drive, 376 lbs.
