

MINUTEMAN®

BUCKETS

Turn your skid-steer loader into the ultimate power tool

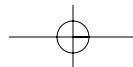

Minuteman® heavy-duty steel buckets are the most traditional skid-steer attachments, and with good reason — greatest versatility. Minuteman buckets are available in a variety of widths and in standard utility, low-profile or fork design. They're constructed of high-grade steel for extra life and durability and feature a neutral granite gray, rugged Dura-Coat™ finish to resist corrosion.
