

MINUTEMAN®

FRONTHOE

Turn your skid-steer loader into the ultimate power tool

Whether you're excavating for drain tiles, cable or plumbing, nothing does it better or more economically than the Minuteman® fronthoe attachment. It's constructed of high-grade steel for extra life and durability and features a neutral granite gray, rugged Dura-Coat™ finish to resist corrosion.

- 12" wide bucket digs to 6' depth
- All functions performed from operator's station
- Quick-connect hydraulics for simple mounting
- Features 3" x 24½" hydraulic cylinder for greater range of movement
- Spring-steel hose holder keeps hoses up and out of the way for extended hose life
- Optional steel grapple attachment for easily picking up and moving rocks and other obstacles
- Versa-Tach™ universal mounting for easy fitting to Liberty™ and other skid-steer loaders

Specifications:

- Hydraulic requirements:
Up to 32 gpm high flow
- Approximate weight: 420 lbs.
