

# MINUTEMAN® POWER RAKE

Turn your skid-steer loader into the ultimate power tool

The Minuteman® power rake attachment has a variety of uses from breaking up and leveling rough soil to dethatching existing sod or creating beds for ornamentals and flowers. It's constructed of high-grade steel for extra life and durability and features a neutral granite gray, rugged Dura-Coat™ finish to resist corrosion.

- Powerful direct-drive motor with fewer moving parts than chain-drive models for easier serviceability
- Compact design on both sides for optimum operation and productivity when working next to buildings, fences or other obstructions
- Bi-directional operation
- Height-adjustable castering gauge wheels for consistent depth performance
- 6' wide drum with carbide-tipped teeth for longer life
- Removable side plates with storage rack for greater operating flexibility
- Manual angle adjustment for quicker and easier completion of windrowing chores
- Optional hydraulic angle adjustment
- Versa-Tach™ universal mounting for easy fitting to Liberty™ and other skid-steer loaders

#### Specifications:

- Working width: 72"
- Motor: 12 cubic inch direct drive
- Hydraulic requirements: Up to 32 gpm high flow
- Approximate weight: 938 lbs.
